Rancher Special

PHS96094 with Optional Lights in Bulkhead and Rancher Utility Racks

The Rancher Special is handsome and strong. It's at home on the ranch, farm, field, job site or anywhere you need a strong built flatbed. The Rancher offers value with the many standard features such as recessed gooseneck hitch, heavy duty receiver hitch and tapered front corners to contour toward the cab.

Check out the Rancher Platform at your local distributor. Put one on your truck today!
