Stake Type Grain Racks

PTS9616 shown with RG529616

Parkhurst Stake Type Grain Racks offer a proven design for durability, strength and large payloads. The Stake Type Grain Racks will haul all your commodities from the field to the bin or elevator. Add a triple cargo door or for more capacity, 10" tip top extensions are available. Easily remove the racks during off-season and use the heavy duty flatbed for your other hauling needs. Call your local distributor and go check out the features of the Stake Type Grain Racks. Put one on your truck today!
