NEXT GENERATION

STAKE RACKS

NEXT GENERATION

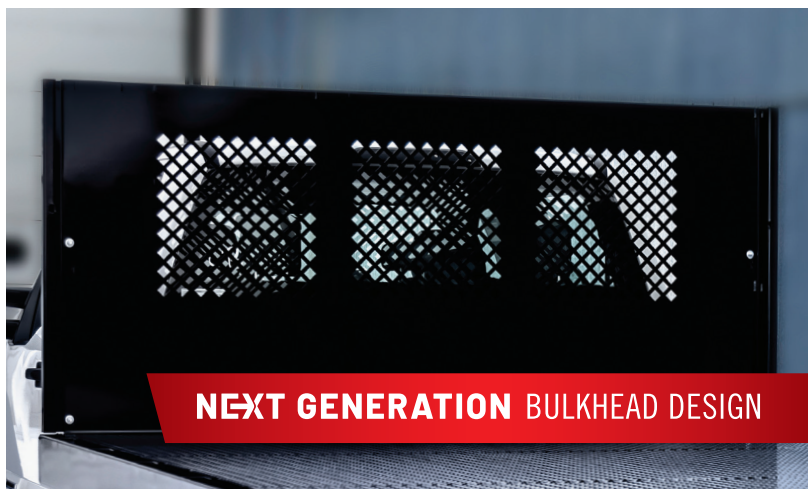

With a legacy of American manufacturing pride, new forward-thinking leadership and innovative new products and features, the Next Generation of Parkhurst Manufacturing is ready to be your premiere platform body supplier.

Parkhurst Stake Racks are versatile, durable and easy to use. These functional and high-performing racks are perfect for plumbing, hardware, lumber, heating and cooling, and a variety of other industries.

The Next Generation Stake Racks have new and improved features including easy-to-use front spring latches, interchangeable lift-out side sections, and a redesigned 11-gauge Bulkhead with laser-cut window.

Parkhurst Stake Racks are compatible with all standard Toughline and Structureline platform bodies and are available in a variety of sizes and materials to handle your hauling needs.
